As the company prepares to nearly double the Radisson Blu portfolio in the Americas within Q4 of this year

[Radisson Hotel Group](#) today announced the signing of Radisson Blu Sandy - Salt Lake City. The hotel, which will be managed by Radisson Hotel Group, will be part of a multi-phased, mixed-use development project with [Raddon Development](#), called The Summit at the Cairns, designed by Beecher Walker Architects. "I am proud to be announcing the signing of this phenomenal hotel that will give guests a one-of-a-kind experience in the beautiful state of Utah," said Phil Hugh, chief development officer, Americas, Radisson Hotel Group. "It has been incredible working alongside Raddon Development as they bring this exceptional development project to life, while creating a true destination for our guests with a variety of culinary options, shopping and activities for outdoor enthusiasts in this urban gem.
